A Special Pull Out Section of Accessing Access *Access Celebrates Excellent Service*

Pariksith Singh, MD and Maria Scunziano-Singh, MD, hosted our annual ACES (Access Celebrates Excellent Service) awards banquet to show their sincere appreciation for the entire Access team. With this year's theme of "All That Glitters", our Treasure Coast offices celebrated their 6th annual event on December 16, 2017 at Creative Catering in Port St. Lucie and the West Coast had their 7th annual event on December 22, 2017 at the Silverthorn Country Club in Spring Hill.

The West Coast celebration began with everyone mingling, taking pictures, and browsing the raffle prize tables while music and a photo slideshow of employees were played. As dinner was being served, Dr. Singh and Dr. Maria gave inspirational talks about the accomplishments and growth of the past year with Access. Juan Triana, our Chief Compliance Officer, then led the ACES 2017 Awards Presentation announcing the Finalists and Winners in fifteen categories. Winners received a trophy, an award certificate and a special certificate good for eight hours of paid time off.

The evening finished with a boisterous raffle drawing with many excited winners walking away with prizes provided by several generous local merchants. Some of the raffle prizes included a large variety of gift baskets, gift cards to Applebee's, Chili's, Old Navy, Macy's, Pottery Barn, Nordstrom, Nike, Sam's Club, Walmart, Target, Longhorn Steakhouse, Bonefish Grill, Cracker Barrel, Olive Garden, Outback Steakhouse, and more! Some of the top prizes were an Apple TV, an Apple Watch, Bose Headphones, 3 full-size bicycles, Traveler's Choice luggage, an Arc hammock and stand, a Michael Kors watch, a Coleman cooler, an Executive office chair, Powerbeats3 headphones, tickets to Sea World/Busch Gardens and several coveted certificates good for four hours of paid time off. Congratulations to our four Grand Prize Winners - Lauren Hinchey won a 40" Samsung Smart TV and Kim Boteilho, Kathryn Moulton-Gray and Kelsey Skerczak each won a GenerX Generator!

The West Coast ACES had a good turnout with 320 Access Employees in attendance! We hope everyone had a wonderful time and we are pleased to share some pictures and highlights from these events with our patients, families, friends and community.

Special thanks to the following local merchants for their generous prize donations: **Addome Bella Salon, Air Source Cooling & Heating, All Florida Medical, Amanda's Pet Salon, Artful Possibilities, E Sushi, Gator Cleaning Solutions, Gator Nutrition, Get Healthy, Hernando Oaks Golf Club, Home Depot, Karma Spirits and Café, LA Studio, MS Solutions, Paintaholics, Pep Boys, Perfect Balance Organic Nutrition, Rookies Sports Bar, Salon Halo, Scentsy by Deanna Sternberger, Seggie Construction, Sir Speedy, Smart Buy Office Furniture, Stage West Community Playhouse, Suncoast Electric, Taddeo Electric, Tina Shuster Wreaths, Tri-County Locksmith, and Universal Business Systems.**

A Message To Access Employees

From Dr. Pariksith Singh and Dr. Maria Scunziano-Singh

Greetings and a Happy Holiday to Everyone

To all our Access Aces who truly glitter and shine we submit this message on honor of you...

The glitter is what delivers the sparkle of magic that lights the world... All of you who glitter possess something very precious and utterly essential to the attainment of success in this life. Yours is none to hide. A burst of passion and submission to a higher purpose is what pulls your spirit into full gear and it remains unwavering and heart strong. All that glitters may not be gold, as the famous poet and playwright had written centuries ago, but no matter when or what, all who are sincere do shine brilliantly!

From where does the glitter come? There is neither a place nor time that we can extract the essence of this which is a mysterious and ever-so-sensual-something. All we know is that it is divine and we marvel at it when we experience its presence. Looking at a shimmering galaxy of stars, the sparkling crystals of raindrops on a bed of flower petals, the holiday tree spun with garlands of twinkling lights or you, who cast a glow of wondrous spirit and light, is what glitter is about, dear friends.

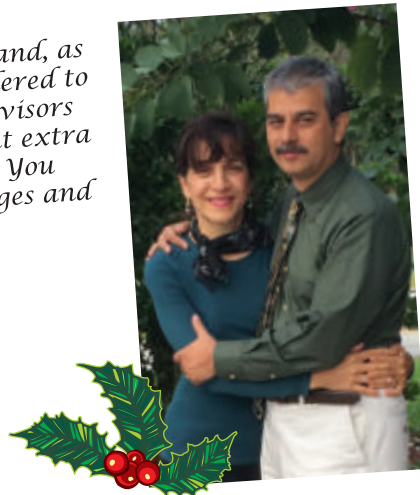

At Access, we have outstanding people moving, shaping and building communities of even more people that work together who strive each day to make a difference, transform and help make life better for all they serve and for each other. This is excellence and it is what sincere and driven people seek at all times. However, it starts with individual states of health and happiness. To really be an ACE in healthcare (and in life) takes conscious efforts and processes. We must never lose sight of the need to protect our patients and ourselves as well. Selflessness and willingness to both learn, succeed and fail are all inclusive in the journey for excellence. Those who know this will move on these principles without hesitation or complaint regardless of the difficulty factor or challenge. And yes, the best outcome is the goal and the seeker of this is the one who works for the benefit of all patients, co-workers and others alike.

While it may not be the "best" outcome, we must all constantly support each other via continuous unbroken communication. Stay the course and understand that what we say and decide will impact everyone.

Today we honor and thank each and every one of you and, as part of the Access tradition, special recognition is rendered to those who have been voted by their peers and/or supervisors as outstanding, shining ACES. You who have made that extra difference should know that it has not gone unnoticed. You shall, therefore, be acknowledged with tokens of messages and other rewards to cherish.

May you all enjoy these moments and share in the celebration of excellence and all that glitters!

Yours in health and peace always,
Dr. Maria Scunziano-Singh and
Dr. Pariksith Singh

Congratulations to Our 2017 West Coast ACES Award Winners!!

The winners of the ACES awards are nominated by fellow team members. There are several categories and winners are chosen based on the information provided as to why an employee feels someone deserves such award rather than the number of votes for a particular individual. Every person who received at least one nomination was listed on a large board that was put on display at the banquet. The actual winners were individually called up to receive their awards while Juan Triana, the Master of Ceremonies, read aloud some of the wonderful comments written about the winners' hard work, spirit, teamwork, leadership, likeability and dedication. Not only did they receive recognition and a trophy, they also each received **8 HOURS OF PAID TIME OFF!!**
